MEMORANDUM FOR: MR. DULLES

CONFIDENTIAL

Having been ADD/A since 1 September 1954 I feel that Gates Lloyd is sufficiently oriented to carry his full load at this time; in fact, he is doing an excellent job. However, a question arises from time to time as to whether his signature on a paper is adequate or whether the paper should be signed by the DD/A personally.

It would be a considerable relief to me if Gates were able to sign off on the noncontroversial matters particularly. Accordingly, if you concur, I would appreciate your signature on the attached

MEMORANDUM FOR:

memorandum. In the final analysis I would, of course, accept responsibility to you for his actions, just as I do for all other officials in the DD/A organization.
